Good afternoon AWHS Families and Students,

As we near the end of the first week of virtual instruction, we wanted to check-in and wish everyone a Happy Feast of St. Joseph. St. Joseph is often the forgotten member of the Holy Family, with little mention in the Scripture. He spent his life quietly supporting Mary and Jesus as a *tekton*, popularly translated as carpenter, but it is more accurate to say that he worked as a day-laborer, traveling to the villas of the neighboring nobility for work. We pray today for the intercession of St. Joseph and ask that he draw us closer to Jesus.

From our vantage, virtual instruction is going well. We are collecting data daily, however, and will share some reflections from this first week, including feedback from faculty and some students, tomorrow.

For now, AWHS is proud to share this video from Cardinal Sean extending his words of comfort and hope. At the end of the video, Cardinal Sean invites us all to pray the rosary. Pope Francis too has called upon the faithful to join him in praying [the Luminous Mysteries of the Rosary in Rome at 4 PM today \(9 PM in Rome\)](#).

We are all blessed to be part of such a wonderful community. Stay safe and strong through these trying times.

Sincerely,

Dennis M. Duggan, Jr. '70, Esq.

Michael R. Volonnino, Ph.D.
