INTERNATIONAL STUDENT PROGRAM AT AWHS

Through the combined efforts of our school community, Theology Department, and Campus Ministry Program, AWHS promotes and nurtures cultural growth in all members of the school community. We integrate faith with learning to develop the whole person – spiritually, academically, morally, and physically. Seventy five percent of our students identify as Catholic, but we welcome all faiths and backgrounds and encourage everyone to explore their personal spirituality.

A man with a beard, wearing a black button-down shirt and a patterned tie, is standing and gesturing with his hands as if speaking. He is positioned in the foreground, slightly to the right. Behind him is a large, dark mural of a person's face, possibly a religious figure, with a halo or head covering. The background is slightly out of focus.

COMMUNITY SERVICE

Community Service provides a way for students to “put their faith into action.” Students are required to complete service hours annually. Working collectively and as individuals, students participate in service projects to benefit numerous organizations. Archbishop Williams High School students complete over 17,000 hours of Community Service annually in local and global communities.

ACADEMICS

Archbishop Williams High School is rooted in a long-standing tradition of academic excellence.

At all grade levels, courses emphasize rigor and intellectual challenge. Students learn to think critically, to discover and analyze, and to communicate knowledge and understanding to others in a technology-rich environment that extends learning beyond the classroom. We empower students to communicate effectively as speakers, writers, and listeners.

AWHS purposefully sets and maintains a high standard for our students which produces results that translate to impressive post-graduate success.

A photograph of four students, three young men and one young woman, gathered around a table, looking at a document together. They are all smiling and appear to be engaged in a collaborative learning activity. The student in the center is holding the document, and the others are pointing at it. The background is slightly blurred, showing a classroom or library setting.

COURSE OFFERINGS

**Archbishop Williams High School
offers courses at four levels:
Advanced Placement (AP), Honors,
Accelerated, and College Preparatory**

ADVANCED ACADEMIC PROGRAMS

Advanced Placement courses for college credit include:

**AP English Literature & Composition, AP English Language & Composition
AP Calculus AB, AP Biology, AP Environmental Science, AP Chemistry,
AP Physics I, AP Physics II, AP U. S. History, AP U.S. Government & Politics,
AP World History, and AP Psychology**

**Additional AP courses offered based on student interest*

- **Dual Enrollment courses align their curriculum with that of participating colleges to receive both high school and college credits.**
- **Virtual High School (VHS) is an online program with over 100 exciting courses available.**

each year

A photograph of three students in a chemistry laboratory. In the center, a male student with glasses and a dark blue polo shirt with a yellow 'W' logo is looking down at a beaker. To his left, a female student with glasses and a blue Adidas jacket is looking at him. To his right, a female student with glasses and a blue Adidas jacket is smiling and looking at the beaker. The background shows wooden lab cabinets with glassware and a sign that says 'Beakers'.

BECOMING A HIGH SCHOOL STUDENT: FRESHMAN

The process begins in the fall of their Freshman year. Students are assigned to one counselor who will establish academic and extra curricular goals for the next four years.

Counselors will speak with each student about grades and GPA, course level selection, and extra-help or tutoring opportunities.

In the fall of 9th Grade, students will be given the opportunity to take the PSAT.

THINKING ABOUT THE FUTURE: SOPHOMORES

In the 10th Grade, counselors will talk to each student about building on their successes, defining new pathways, and strengthening relationships. Students will also be introduced to Naviance, the college and career planning website.

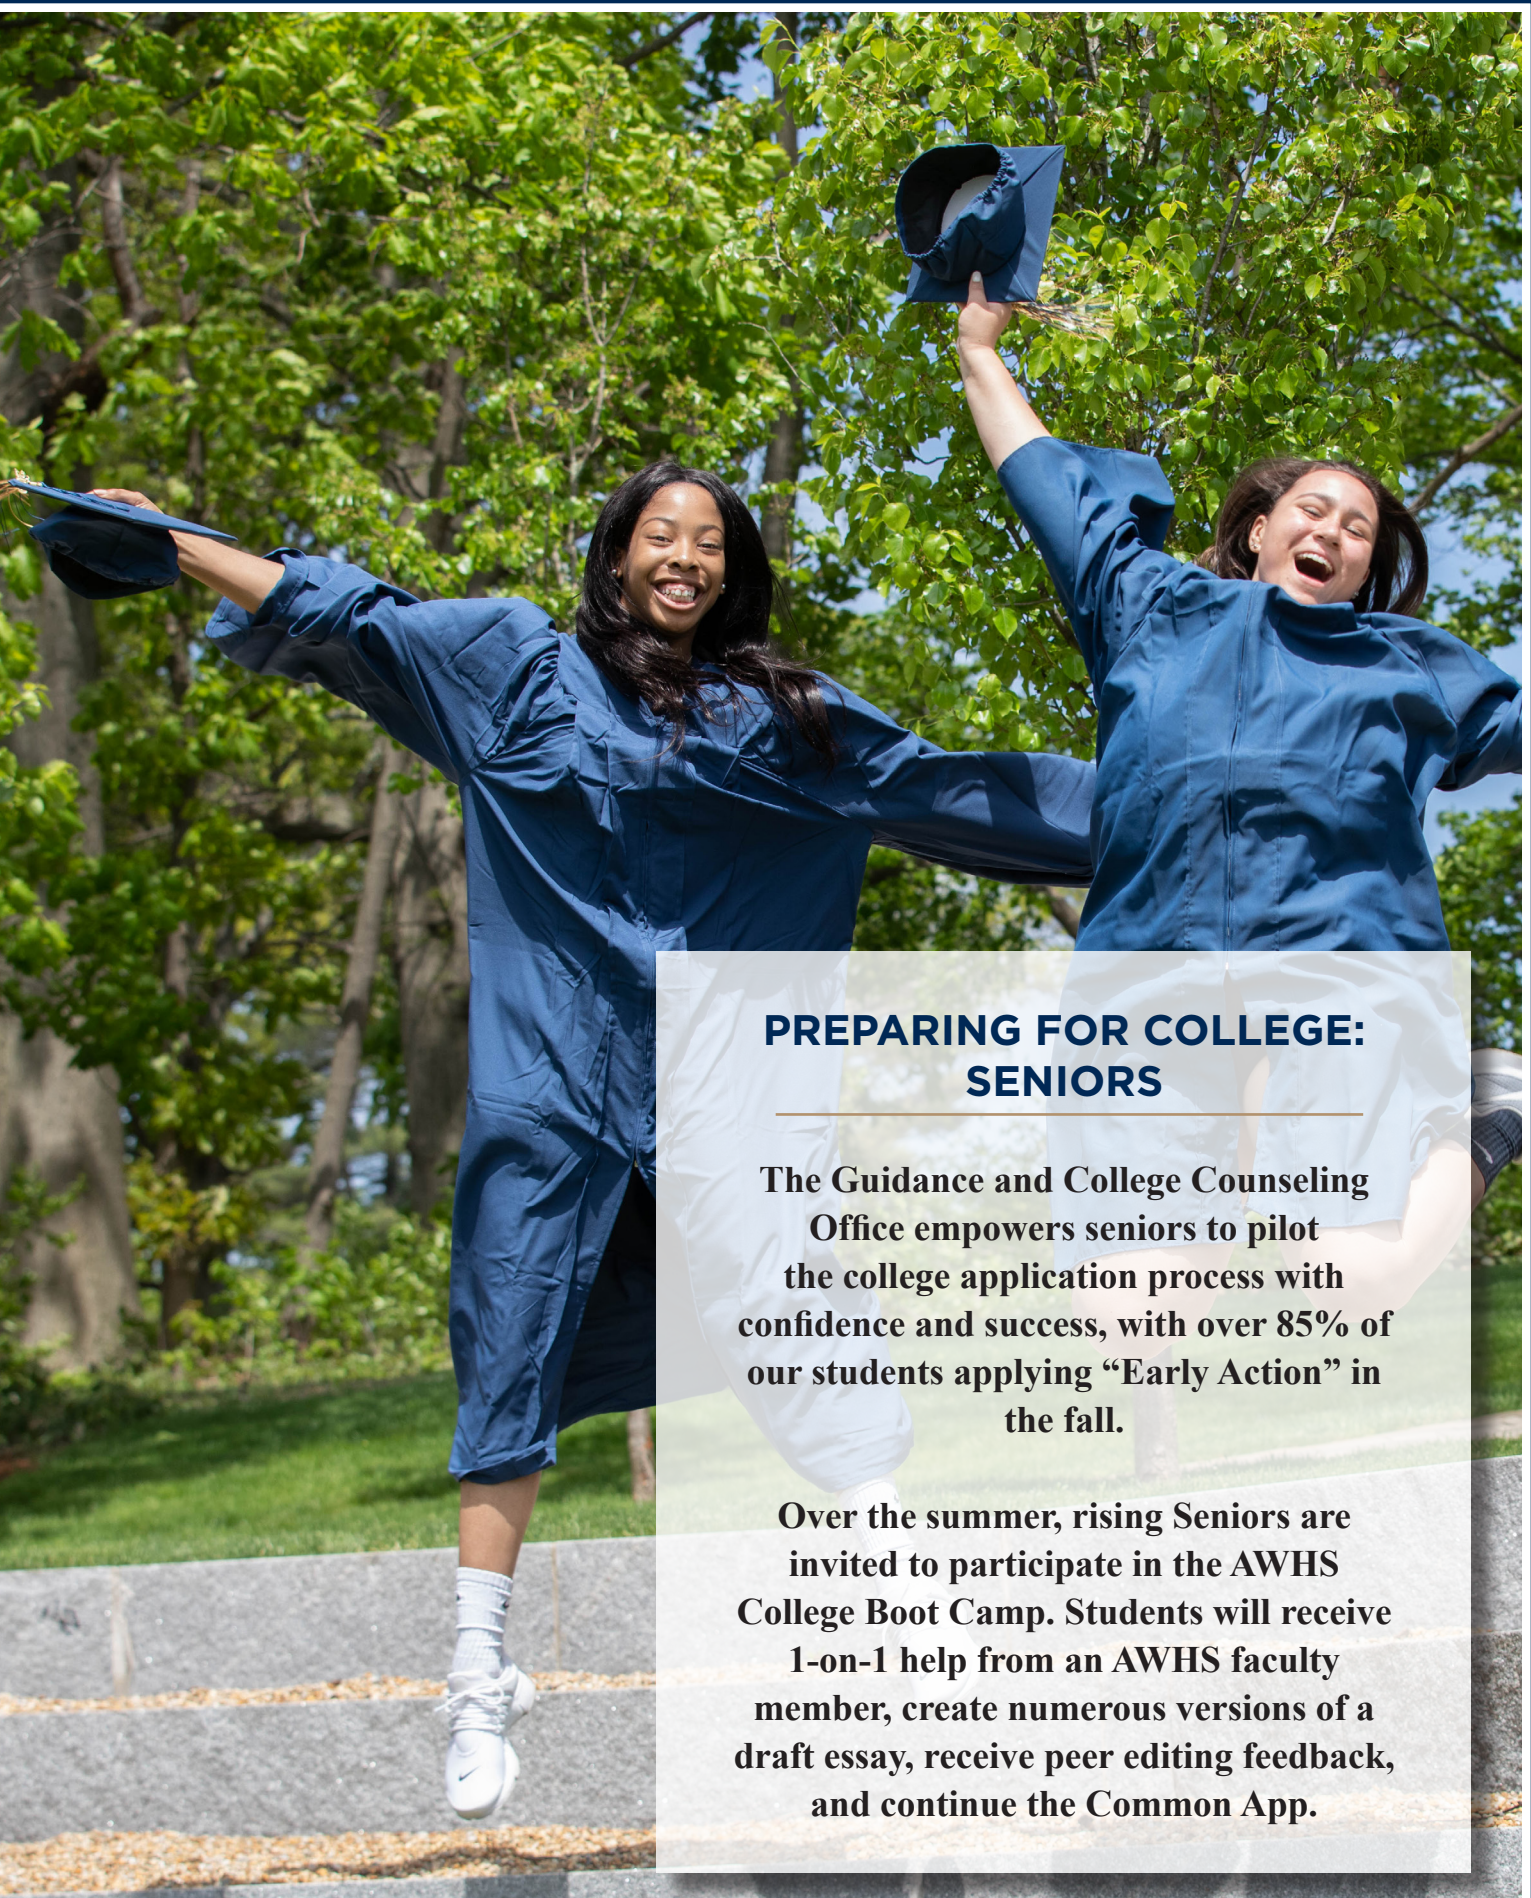

Sophomores take the Preliminary SAT (PSAT) in the fall. The resulting scores help to identify areas of academic strength and indicate areas where additional practice can yield improvement.

EXPLORING COLLEGE POSSIBILITIES: JUNIORS

In the fall of Junior year, students take the Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT). High scores will qualify students for national merit scholarships to universities in the U.S.

In the second semester, Juniors will participate in a once-per-cycle Junior Guidance class, meeting in small groups with their counselor. Each unit will include lessons on transcripts, SAT registration, Khan Academy prep-courses, Common App account set-up, Naviance research, resume writing, financial aid and scholarships, NCAA registration, the Common App, and college essay.

PREPARING FOR COLLEGE: SENIORS

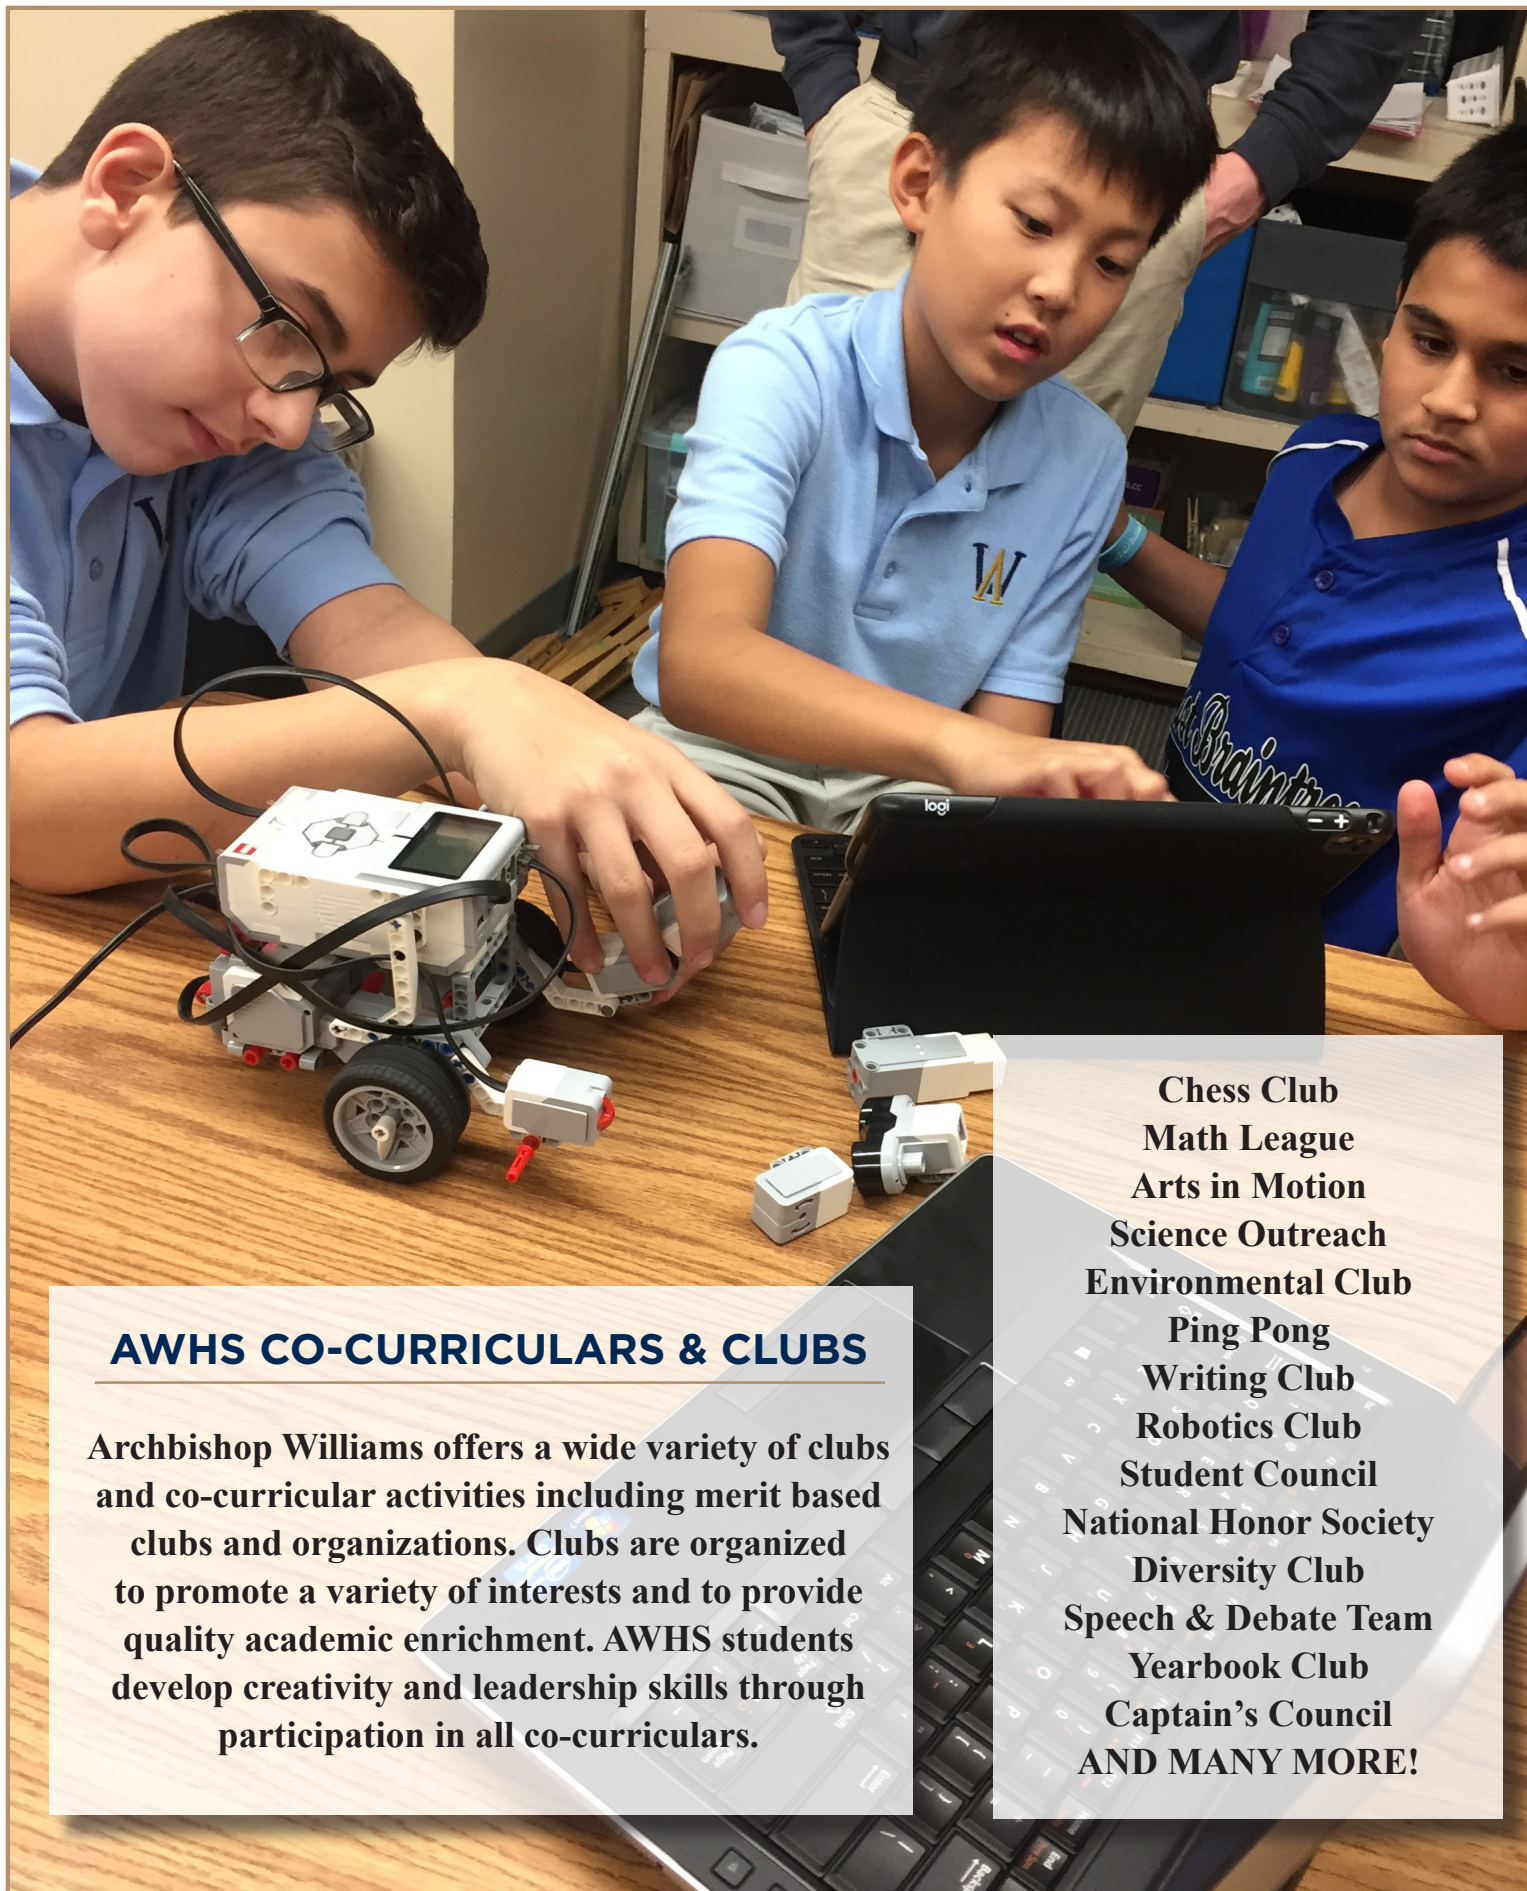

The Guidance and College Counseling Office empowers seniors to pilot the college application process with confidence and success, with over 85% of our students applying “Early Action” in the fall.

Over the summer, rising Seniors are invited to participate in the AWHs College Boot Camp. Students will receive 1-on-1 help from an AWHs faculty member, create numerous versions of a draft essay, receive peer editing feedback, and continue the Common App.

ARCHBISHOP WILLIAMS STUDENT COLLEGE & UNIVERSITY ACCEPTANCES

American University	Pennsylvania State University	UMASS Boston
Amherst College	Providence College	UMASS Dartmouth
Babson College	Purdue University	UMASS Lowell
Bates College	Rensselaer Polytechnic Institute	University of Miami

National Honor Society
Diversity Club
Speech & Debate Team
Yearbook Club
Captain's Council
AND MANY MORE!

FINE ARTS

Archbishop Williams High School offers a variety of opportunities in Fine and Performing Arts. Academic courses include Visual Arts, Digital Art, Engineering and Coding, Drawing, Painting, Photography, Music, Choir, and Film. Students in 11th and 12th grade are also offered an opportunity to take a Theater Internship for credit. Each year, students put on two major productions, one in the fall and one in the spring as well as many musical and art performances throughout the year.

A photograph of a science laboratory with several white lab benches, black chairs, and sinks. A blue door is visible in the background.

An aerial photograph of Archbishop Williams High School's athletic field. The field is green with white yard lines and numbers. A red running track surrounds the field. In the background, there are school buildings and bleachers. A large blue and gold logo is visible on the right side of the field.

AWHS ATHLETICS

Archbishop Williams High School understands that some of life's most important lessons are learned outside the classroom. AWHs offers a wide variety of athletic teams for students in Grades 7-12. All students are encouraged to try something new, develop leadership, share their talents, and foster new friendships with teammates.

Archbishop Williams has a long and storied athletic history. The Bishops have been league, state, and regional champions. This legacy lives on in our student-athletes and teams today.

As a member of a Bishops' sports team, student-athletes have the chance to compete in 24 MIAA-sanctioned sports. Student-athletes learn the importance of cooperation through teamwork and leadership, the necessity of respect for self and others, and the value of hard work and dedication.
